On June 3, 1986, Kentucky Power Company ("Kentucky Power") filed with the Commission its application seeking a certificate of convenience and necessity to qualify it to bid on an electric franchise in the city of Elkhorn City, Kentucky. Under the provisions of KRS 278.020(3), no utility may apply for a franchise from any governmental agency until it has obtained a certificate of convenience and necessity from this Commission based on our finding that there is a need and demand for the services sought to be rendered.
